

SHIP PFL CANADA

Asset-based truckload carrier
Etobicoke, Ontario

ONTARIO ⇄ MONTREAL · CANADA-WIDE · USA-WIDE

Ontario to Montreal. Every day.

53' dry vans and reefers on our own trucks, plus FTL and LTL brokerage on any lane in Canada and the US. **Your freight, our drive.**

PEAK SEASON OFFER

**Book your first load before
November 30.**

Lock in priority truck capacity through peak season at your contract rate, with no peak surcharge.

FIRST-LOAD GUARANTEE

Late on us? 50% off.

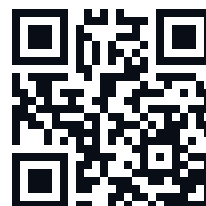

Try us on one load. If we miss it, you pay half.

What we haul

Full truckload on our own trucks and trailers, and anything else through our licensed brokerage. One call covers it all.

OUR TRUCKS

53' Dry Van Truckload

Palletized and boxed freight for retail, manufacturing, CPG and distribution centres.

OUR TRUCKS

53' Reefer

Temperature-controlled freight: produce, food, beverages and other temperature-sensitive goods.

CONTRACT

Dedicated Lanes

Committed weekly capacity at a fixed contract rate, especially Ontario ⇄ Montreal.

YOUR DOCK

Drop and Hook

Trailer pools at your facility, so you load on your schedule, not the driver's.

CANADA ⇄ USA

Cross-Border

US operating authority and electronic customs filing for smooth crossings.

BROKERAGE

FTL & LTL, Any Lane

Flatbed, specialized, single pallets or partials, anywhere in Canada and the US.

Where we run

Ontario ⇄ Montreal

Our main lane, daily. **\$1,200–\$1,400 each way, all-in.**

Canada-Wide

Truckload to and from every province.

USA-Wide

All states, including cross-border with customs filing support.

HEAD OFFICE

Etobicoke

1377 The Queensway

Ontario ⇄ Montreal Dedicated Lanes

Commit your weekly volume and we guarantee the trucks at a fixed contract rate. No spot-market surprises, no scrambling for capacity.

1

Tell us your weekly volume and pickup windows.

2

We commit trucks, plus a trailer pool at your dock.

3

You load on your schedule. We drop, hook and roll.

4

Next-day delivery at one locked, all-in rate.

- ✓ Guaranteed trucks on your days, even in peak
- ✓ A fixed rate that doesn't move with the market
- ✓ No waiting on live loads at your dock
- ✓ Live GPS tracking and one contact per load

ONTARIO ⇄ MONTREAL RATE

\$1,200–\$1,400 per load, each way

CAD, all-in including fuel

Shipping Montreal to Ontario too? Balanced volume in both directions earns our best rate.

Brokerage: FTL & LTL

Got freight we don't haul ourselves? Send it anyway. As a licensed freight broker, we cover any shipment, any lane, in Canada and the US.

Full Truckload

Dry van, reefer, flatbed and specialized equipment.

LTL & Partial

From a single pallet to a partial load.

Any Lane

Anywhere in Canada and the US, cross-border included.

- ✓ One contact for all your freight
- ✓ Every partner vetted for authority, insurance and safety
- ✓ Tracking updates and PODs on every shipment
- ✓ One invoice, one set of payment terms

Our promises to you

2 hrs

Lane quotes

Pricing back within 2 business hours.

1 hr

Proof of delivery

POD photo emailed within 1 hour of delivery.

Live

GPS tracking

A tracking link and updates on every load.

Direct

Owner's cell

Talk to the people who run the trucks.

Free

Drop trailer

A trailer at your dock for contract customers.

3 hrs

Free detention

For contract customers, before any charge.

Technology

Motive ELD and GPS on every truck. Rose Rocket TMS for dispatch, PODs and invoicing.

Cross-border

Electronic customs filing through BorderConnect and full US operating authority.

Compliance

Ontario CVOR carrier, US DOT registered, ELD-compliant, insured for cargo and liability.

Cash flow

All-in pricing and flexible 30-60 day terms for approved accounts.
