

Mobile truck & trailer repair

Roadside • Yard & dock • MTO inspection station

Call for service

(905) 919-3695

roadside@pflcanada.ca

Share your exact location and the issue; dispatch confirms availability, an arrival window and a quote before work begins.

Heavy-duty services

Batteries & electrical

Jump starts, batteries, starters, alternators, wiring and lighting.

Tires & wheels

Truck and trailer tire changes, flat repairs and wheel checks.

Air systems & brakes

Air leaks, gladhands, brake chambers and brake diagnosis.

Fuel, DEF & fluids

Diesel and DEF delivery, filters, priming and fluid issues.

Engine & driveline

Belts, hoses, overheating and roadside-safe fault diagnosis.

Trailer & reefer

Door hardware, landing gear, lights and reefer start-up faults.

Lockouts & access

Cab and trailer lockouts, coupler and fifth-wheel release issues.

Coverage & MTO calls

Toronto, Etobicoke, Mississauga, Brampton and the Greater Toronto Area.

Nearby Ontario locations: call to confirm coverage for your exact location.

At a scale, share the inspection report and defect details. Repair feasibility is assessed on site; any required release or reinspection remains with MTO.
